HIS REBBE'S VOICE

An overflow audience was on hand for the rededication of the Beth Hamidrash of Rabbi Isaac Elchanan Theological Seminary (RIETS) of Yeshiva University by Mr. and Mrs. Joseph Gruss May 17, which featured remarks by Dr. Joseph B. Soloveitchik, Leib Merkin Professor of Talmud and Jewish Philosophy (first right), and Dr. Norman Lamm, president of Yeshiva University, seated next to Dr. Soloveitchik, in praise of Mr. Gruss' many efforts on behalf of Jewish education. Mr. Gruss, seated next to Dr. Lamm, was cited as a man with a sense of unlimited responsibility and awareness for the entire Jewish community. The hundreds of students, faculty, administrators and friends in attendance cheered Mr. Gruss as a man of great creative deeds who had made an imprint on Jewish life.
